

mahimapushkarna

résumé

I am Mahima Pushkarna, a graduating Visual Communication Designer. I'm exceptionally passionate about design, with a strong creative vision, coupled with a sense of strategic reasoning and a good attitude. I believe in consistency and an interdisciplinary, process-driven approach. I hope to be able to learn and grow with every design created, and help bring a fresh perspective to the table on a team.

Skills

Ability to research, derive insights, conceptualize and visualize; Accelerate projects from conceptualization to completion in a collaborative and fast-paced environment, with attention to detail.

A keen eye for composition, layouts and typography, good with colors.

Can seamlessly switch between various media; Hand-skills include photography, illustration, printmaking.

Fluent with Adobe Illustrator, Photoshop, Premier Pro, SoundBooth, AfterEffects and other softwares like

Resolume Avenue; familiar with various print production processes.

Strong presentation and management skills.
